

## **INVITATION OF COMMENTS ON THE PROPOSED REVISION OF MORD SPECIFICATIONS FOR RURAL ROADS**

Concerns have been expressed from several quarters, including Consultants/Contractors and user agencies that some of the provisions in the MORD Specifications, 2004 have outlived their relevance and thus require necessary amendments/modifications based on experience gained in use of MORD Specifications since 2004 as also in view of the advent of new materials/technologies

Accordingly, National Rural Roads Development Agency, Ministry of Rural Development has entrusted the work of Revision of the MORD Specifications to IRC in the light of international practices, as relevant to Indian conditions. This is to incorporate the changes in Project Size, use of latest machinery and equipment as well as experience gained in construction of Rural Roads under PMGSY.

It is, therefore, requested to kindly send your suggestions/views for the proposed revision, based on the experiences in your respective professional practices, correctly mentioning the Section No., Clause No., the existing provision and the proposed revision, at your earliest possible convenience latest by **15 March 2010** by e-mail ([secretarygen@irc.org.in](mailto:secretarygen@irc.org.in)) or FAX +91 (11) 2618 3669) or by speed post to **Secretary General, Indian Roads Congress, Sector 6, R.K Puram, Kama Koti Marg, New Delhi – 110 022.**
